Je-Hui, come over here ! Hurry !
If you don't hurry, we will be caught by the witch again !

It's too late for me...
I want you to escape from the witch's castle...
Je-Hui !

Who are you ...
Calling "The witch" ?
My name is Jang Yumi.
I work at home for lost kids
located inside of a department store.

The purpose of this place is to look after lost kids found throughout the department store.
Our job is to make them as comfortable as possible until their parents pick them up.
ISSUE DEP
The kids must have been excited as their families left for a big [illegible] department store....
Yet, their excitement ended absurdly as they got lost. My job is to heal their wounds and do my best to make them feel at ease.
Or so I thought.

It turns out that they might as well be devil's children !
They bought a paid game application from my cell phone !
My new shoes got wasted only a day after I bought it !
These kids cost me a lot !

Um, actually
I have lots of kids to look after right now
It's not that I don't want to go looking for her It's just that I m ght waste lots of time for noth ng
We should just w it until people brin her to here again...
Yumi
You don't need to come to work tomorrow

I will be quick !
Yeah, It sucks to be at the bottom ... chain !
Geez, why ..... she just stay at the shelter and cry like others do ?
Why did you have to wander ..... and make my life ..... It already is.

I didn't start this job ...
Just to run around and to look for a kid ...
Why am I still here ? Why am I still doing this job ?
There she is
I am tired
JANIMES.COM

Hey !
You shouldn't wander around like this you know !
타
What if your mom comes and looks for you while you are gone ?
Let's go back to the shelter
.... not coming.

What ?
She is not coming
My mom
Mom will not come for me
Oh, no

I was being inconsiderate. She must have felt too insecure and just had to do something...
I feel foolish for being overrun by emotions and had to act like this to her.
After all, she is a lost child...
Besides, it sounds like she has some issues at home...

Don't you worry
Yeah,
It's like how I wanted to take this job in the first place.
I [illegible] I'd treat them better than their parents would while they are in the shelter.
No way would your mom leave such a cute child such as yourself
I am sure your mom will come for you
I swear !
I will wait for you !
EH
I will [illegible] them with love and [illegible] of it !
Come on here, lost little sheep ~
I wonder what kind of issues she has at home but that is not the concern like now

After this I think I will start taking this job seriously again like when I had just began !
Papa ~ ♥
Huh ?
?!

Where have you been ?!
I have been looking all over !
I am so sorry I let go of your hand for a moment and you were gone
I am glad and proud that you didn't cry and waited
Hold on a sec...
You were depressed that your parents wouldn't come for you just a moment ago

엄마는
Mom's at home. Why would she come ?
왔었겠지ㅋ
음 뭐
Well, it was fun watching you get all high, rolf.
재밌었겠지ㅋ
What....
I said my mom won't come for me.
I never mentioned father did I?
근데
By the way, it so acted overall, lol
WHAT ?!

Now, that's a real demon right there !
The next day
She says she lost her mother today.
If you lose her again like the last time your pay will be reduced!
No more please
